12:00-1:00

Lunch & Discussion

Tote bag lunches will be served in the Radcliffe Gym. Converse with other workshop attendees. Opportunity to demo featured software & hardware at the workshop.

1:00-2:30

Brainstorming

Work with the other attendees at your table to respond to questions posed in the brainstorming Google doc: <http://bit.ly/liberactdoc>. Choose 1-3 people at your table to record the group's thoughts. Highlight your top responses for the reporting session.

2:30-3:00

Break

Coffee & tea break located at the entrance to the Gym, downstairs. Opportunity to converse and demo the hardware and software from featured projects.

3:00-4:00

Report Back

Recorders for each table report to all attendees the highlights from their group's brainstorming session, to stimulate conversation within the greater group. There will be an open mic, passed from table to table. The discussion will be facilitated by Christopher Erdmann and Martin Schreiner, Head of Maps, Media, Data, and Government Information, Lamont Library.

4:00-5:00

Compile Report

Most attendees can leave while at least 1 of the recorders from each table stays to help synthesize responses during the brainstorming and reporting sessions into a draft document. Workshop organizers will create a final report from the document, to be posted with other material from the workshop, i.e. videos, images, slides, notes.
